Teambuilding – Group Events (for groups of 20 to 60)

Operation Treasure Hunt

Group Size:

Min 20, Max 60

Time: 6 to 7 hours

Availability: all Year

Includes: 4 wheel drive adventure, horseback ride and lunch

Description: Follow the trail of the pirates using a pirate map and a set of clues that will require your group to locate the missing treasure. This is a teambuilding assignment that will have your group divided into groups that are each given pieces of a pirate map. It will eventually lead to them locating a secret treasure.

1.) The Beachcomber Adventure (this adventure begins at the pristine Gaviota Coast) Your groups must discern the meaning of the first set of clues and locate the first missing part of the treasure map. This will have them hike along one of California's most beautiful coastlines to discover this first clue.

After this the groups are divided into

2.) Team skyhigh (with an offroad trip up a mountain)

3.) Team Cowboy (a horseback discovery into the forest)

Each group begins a journey of discovery that will allow each group to experience BOTH a horseback riding adventure as well as an off road journey in 4 wheel drives up the San Ynez mountains.

A delicious lunch is provided at the Circle Bar B ranch including Tri-tip, mashed potatoes, beans and coffee. This venue will be held a private event for your group.
